**TRAVIS KELCE AND PAPA JOHN'S TEAM UP TO BENEFIT THE
KANSAS CITY COMMUNITY**

The "Travis Kelce Special" will benefit Kelce's charity Eighty-Seven And Running

Kansas City, MO: Following a successful campaign last season Travis Kelce and Papa John's are teaming up again to take care of the fans and the community in Kansas City with the "Travis Kelce Special." During the 2017 Kansas City Chiefs' Regular Season, every time a guest uses the promo code "KELCE" they will get 30% off regular menu price online orders with 10% of the purchase price benefiting Kelce's charity Eighty-Seven And Running which provides resources and enrichment opportunities for youth and their communities through fundraising, athletic programs, mentoring, and outreach initiatives.

The "Travis Kelce Special" – delivered in a Special Edition pizza box featuring Kelce – could also lead to a surprise pizza delivery by the Chiefs' tight end himself for some lucky fans. The proceeds will help Kelce on his mission to change the outcome of underprivileged youth by creating access to opportunities, enrichment, and advancement.
